## 1390.0 - Classroom Datasets, 2007

Previous ISSUE Released at 11:30 AM (CANBERRA TIME) 02/07/2007 First Issue

---

## Summary

### About this Release

These datasets have been drawn from a variety of ABS publications and include simplified tables on a wide variety of interesting topics. They include univariate, bivariate and multivariate data that are suitable for use in the classroom across a number of curriculum areas.

They have been tailored specifically for teaching and learning purposes in schools. Please refer to the original publications for the full Explanatory Notes, description of statistical methods and other relevant metadata.
